Proefnotities

(EN) Beautiful, bright golden colour. A rich and distinct wine that boasts aroma's from mediterranean fruit (rather than tropical, like tangerine, melon, apple, and sweet pear) to butter and freshly baked bread. That fresh harmony is complemented with the toasted hints from oak and mineral notes. A young, vibrant, tasty, wide, balanced and daring wine.

Pairs to perfection with tuna fish, salmon, conger eel, squid, king crab, chicken curry, crab cake, champignons, and béchamel sauce.
